Attn: Steve Wallace

Steve,

I would like to take this opportunity to thank Intelli-Tech for providing services for the facilities which I have been involved in for many years. Intelli-Tech has provided all levels of involvement in planning and executing of design criteria, installation, maintenance of various Server and Telecommunications Rooms critical systems. Over the years I have worked with Intelli-Tech at Symantec and now at County Bank and they continue to provide their experience in servicing and coordinating the Fire Suppression Systems, HVAC, and Power Equipment installations at the various locations. Intelli-Tech was a valuable partner in assisting with our growth and success.

Thank you
