**Steve,**

**We at Devcon Construction, Inc. would like to take this opportunity to thank Intelli-Tech for the many years of service in providing the design and installation of all FM-200/Pre-Action Suppression Systems to Devcon Construction, Inc. for the Cisco Systems Campus located in San Jose and Milpitas. Intelli-Tech has provided all levels of involvement in planning and executing of design criteria, installation and maintenance of all critical systems fire suppression systems for the Cisco Systems Campus. Over the last 12 years Devcon Construction, Inc. has worked with Intelli-Tech at the Cisco Systems Campus without incident and we look forward to Intelli-Tech continuing to provide their experience in design, installation and coordinating the Fire Suppression Systems. Intelli-Tech is a valuable partner in assisting with the continued success of current and future projects at the Cisco Systems Campus.**
