

Service Technician

Intelli-tech, the leader in fire protection solutions and services that protect people and assets has exciting opportunities for experienced and entry level Fire Alarm and Fire Suppression Technicians. Learn more about us at www.gotoitsi.com.

We are looking for Service Technicians (troubleshooting / inspection types). We provide technical support for customers in the East Bay and San Francisco region for Fire Alarm / Fire Suppression Systems. **(Sign on bonus for experienced technicians!)**

In this full time role you will join our Service Team testing and inspecting fire alarm / fire suppression systems at various customer locations. You will identify system problems, and report findings. This job visits multiple customers each week, your goal is to create timely reports, deliver customer satisfaction, and to work safely.

We look for those with a professional attitude who can deliver outstanding customer service. Team players who pay attention to detail are great traits to have for this role.

Ideal candidates must possess the following in order to perform the functions of the job:

- High School Diploma or General Educational Development Diploma (GED).
- Two (2) years of technical experience preferred but not necessary.
- Solid Verbal communication skills needed to accurately describe problems and communicate with customers.
- Knowledge of Microsoft Office (Word / Outlook).
- Valid driver's license with a clean record.

Our employees / team enjoy a competitive salary and benefits package which includes a comprehensive Medical and Dental Plan, company paid Life Insurance with a matching 401(k) Plan. We are an equal opportunity employer.
